Year 7 - 10 Period X 'Theatrical Production Elements' Local Excursion

Please return completed permission slip to the front office by Thursday 23 May 2024

Dear Parents/Carers

Students studying Year 7 – 10 Theatrical Production Elements are working this term to produce sets and costumes and special effects for the High School production of Mamma Mia! As a part of their production planning they will be making design choices and organising items for each scene and character. We would like to engage them in the acquisition of items from our local opportunity shops (Braidwood Vinnies and Braidwood Uniting Church Opportunity Shop). Mrs James has visited both premises to discuss the concept and will liaise with these local businesses to find an appropriate week. Students would be travelling by foot, walking to the local businesses.

Students would be travelling during their double period lesson with Mrs James, occurring on a Tuesday afternoon.

Please call the school if you do not wish for your child to participate, they can join Ms Howell's musical preparation period for the week of shopping and acquisition.

Yours sincerely
